Notification

1. All the above information must be filled in and correct.
2. Participants must assemble the terrarium alone.
3. Participants must use REPTIZOO RK series terrariums.
4. The competition will be divided into 3 different groups according to the size and model of the terrarium. Three winners will be selected from each group.
5. Participants need to use a mobile phone or camera to take a continuous video, and place a timing device next to them. The timing device needs to be accurate to the second. The timing must be visible throughout the whole video.
6. Participants will start the timing device, assemble the terrarium, and then stop the timing device once the terrarium is fully assembled.
7. The video file submitted by the participant must be the original unedited video file, it cannot be edited or sped up. Violations will result in disqualification.
8. Ranking will be determined by the final assembly time. The shorter the assembling time, the better.
9. Please be sure to take good safety measures during the filming and assembly process, and assemble the terrariums in a safe way for ensuring your safety. The brand is not liable to you for any personal injury caused by improper operation or lacking safety measures.

By completing and submitting this form, you are deemed to have read and accepted all terms and conditions in this form.
